Note: This list identifies professionals in the Kansas City area who specialize in child abuse/sexual abuse mental health and medical services. This list should be used as a guide. There may be other qualified professionals not listed. You should contact your insurance company to determine your benefits and to find out which providers are “in-network”. Please do not consider this list an endorsement. We encourage you to conduct your own evaluation of individual therapists or medical personnel. Please contact Sunflower House with any comments or concerns about the services you receive.
